A. Supplement Subscription items run on a cycle from April 29 through April 28 of the next calendar year, i.e., the 2025 subscription cycle runs from April 29, 2025 through April 28, 2026.

B. The BE114T is a complete book perfectly suited for economical training purposes. We provide you with a recent, but not the current copy of the book. The regulations rarely change as it pertains to the training requirements.
